Cubism

Cubism is an art movement that emerged in the early 20th century , characterized by fragemented and abstract forms geomtric shapes , and multiple perspectives .

Quattro Concept

There is nothing simpler than's structure :
a top that rests on a base . yet so much
simplicity can mean designs of great
personality which create clear impression
to the space in which they are placed .

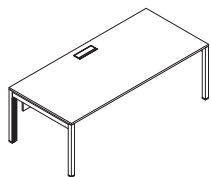

Quattro is a modern geomtric design that combine wood and metal to create contenporary design .Quattro line pieces features a juxtaposition of cubic and rectangular surfaces creating a dynamic composition that echoes the principles of cubism .
