Concept

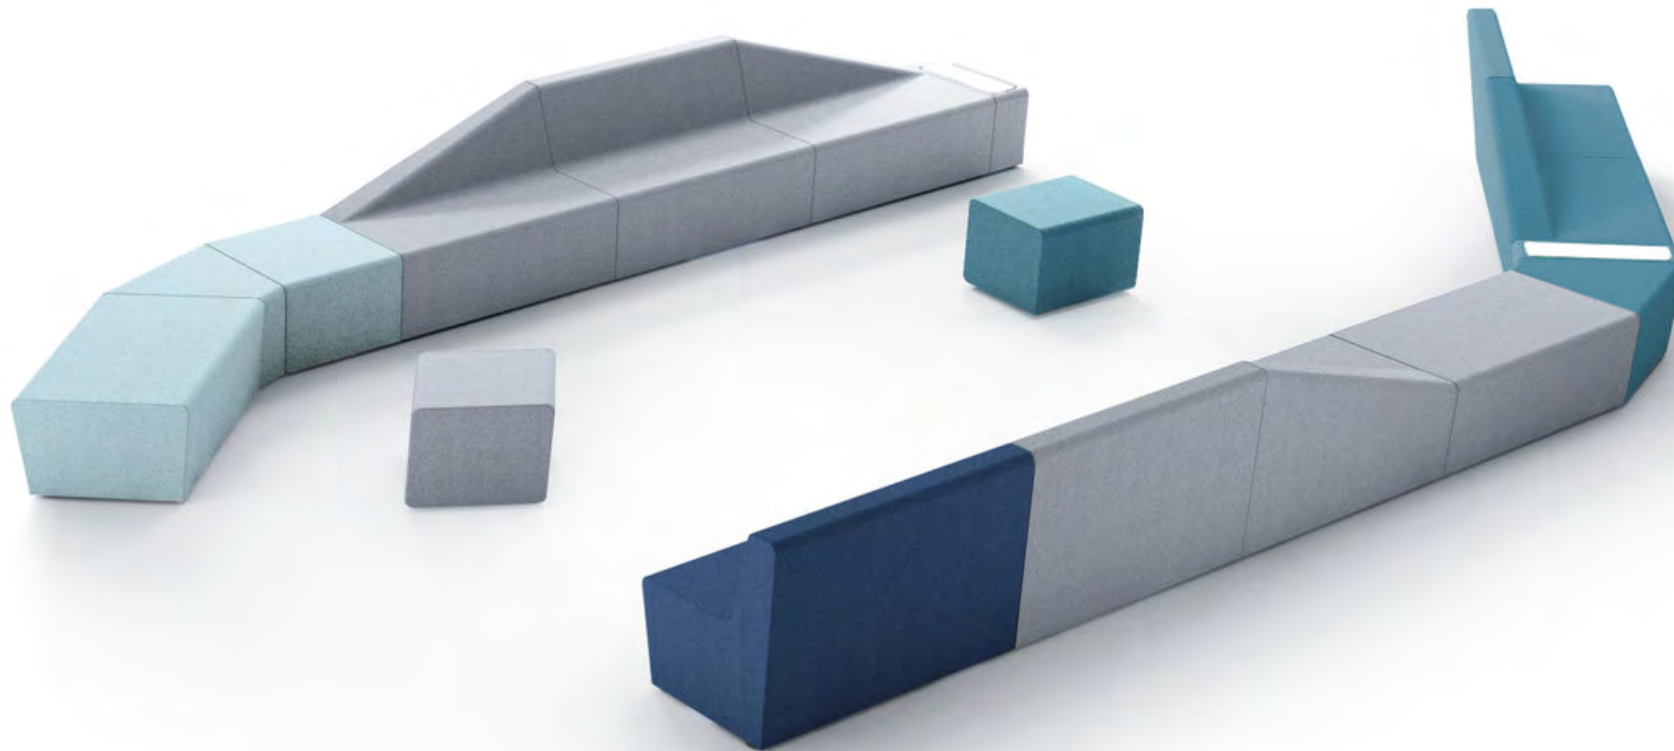

Mendi

MENDI has been designed to support the evolution of work organizations and their environment.

The program is addressed to those new informal, open and connected spaces which contribute to greater efficiency by favouring the exchange of information and collaboration between individuals.

As a flexible and progressive seating, MENDI offers both numerous design solutions and multiple module combinations and colors, from the simplest to the most complex composition

Large

Spaces

Lotua

Lotua is perfect for creating the kind of open, informal, relaxed spaces that foster the creativity and formulation of ideas that are the source of innovation.

The range comes in a black or white finish and the structures can be joined together with a U-shaped link piece, that can be clicked and/or screwed into position, thus offering an infinite number of small, medium-sized or large combination options.

Nesta

This modern sofa combines sleek design with practical functionality. The clean lines and high-quality stitching create a sophisticated aesthetic, while the spacious dimensions offer ample seating for relaxation and entertaining.

The accompanying table provides a convenient surface for drinks, snacks, or books. Upholstered in either plush PU leather or durable linen fabric, this sofa seamlessly complements a variety of interior styles.

Luster

Crafted with meticulous attention to detail, the Luster Sofa 3 Seats is a testament to Egyptian craftsmanship.

Its robust plywood frame, reinforced by a sturdy steel chassis, ensures longevity and stability. The sofa's plush polyurethane seat and back cushions offer exceptional comfort, while the beech wood legs add a touch of natural elegance.

Upholstered in high-quality PU leather or fabric that is both stain-resistant and easy to clean, this sofa is designed to withstand daily use. With a wide range of color options to choose from, the Luster Sofa 3 Seats can seamlessly complement any interior style.

Backed by a one-year warranty, this piece of furniture is a reliable and stylish addition to any home.

Luster

Petra

The sofa features a comfortable and durable design. The seat and back cushions are made with high-density polyurethane foam for optimal support.

The sturdy steel frame and metal legs ensure stability. The upholstery options include luxurious PU leather, known for its easy cleaning and variety of colors, or durable linen fabric for a more natural look.

Basic

The seat and back cushions are crafted with high-density polyurethane foam, providing optimal support and resilience. The sturdy steel frame and metal legs ensure stability, while the adjustable levelers allow for easy customization to balance the sofa on uneven surfaces.

The upholstery options include luxurious PU leather, known for its water resistance and easy cleaning, or durable linen fabric, offering a breathable and eco-friendly choice.

Curved

This modern sofa offers exceptional comfort and durability. The seat and back cushions are crafted with high-density polyurethane foam, providing optimal support and resilience.

The upholstery options include luxurious PU leather, known for its water resistance and easy cleaning, or durable linen fabric, offering a breathable and eco-friendly choice. The sofa's design combines sleek lines with a focus on comfort, making it a stylish and functional addition to any living space.
